New Seabury Country Club

July 16-17, 2023

Dear Friends,

We would like to thank you for your support of our family and the Mark Bavis Leadership Foundation. It means more than you know. Together we've given a lot of students an opportunity to go to college and become successful in what they choose to do. We think Mark would be humbled by your support and proud of the work we are doing.

Scholarship Winners

Mark accomplished so much and impacted the lives of so many, both personally and professionally. His strong values of hard work, compassion towards others and integrity are just a few of his qualities for which he is remembered. Our family was blessed with someone of unyielding character, devoted friendship, brotherly love, and strong family values.

Mark dedicated much of his life to the development of young men and women and encouraged each of them to follow their dreams, so we are determined to continue his legacy. Through the Mark Bavis Leadership Foundation, we pay tribute to Mark not only by celebrating his life, but by continuing one of the values that was so important to him...to make a difference in someone's life. The Foundation gives us a way of creating something good out of the tragedy that took Mark's life. As we look back over the past twenty-one years, we are proud of the more than 155 scholarships that have been awarded from The Mark Bavis Leadership Foundation.

The work of the Foundation and our annual events are just a few ways we can make certain that Mark is remembered by those who knew him and appreciated by those who never got the chance to do so. With your support, the Mark Bavis Leadership Foundation will continue to provide young men and women the opportunities and experiences which contributed to making Mark the person that he was.

Each anniversary of September 11th is difficult for our family. Not only because of the horrific tragedy that occurred around the country, but also because it reminds us of what we've missed all these years. We lost a big part of our family on 9/11, and the expectation of what life was going to be like for Mark and his involvement with our individual families. We will not, however, let that day shift our focus from the foundation. On behalf of our entire family, we thank you again for your support and continuing to honor Mark.

With our very best wishes,
The Bavis Family
