A heartfelt thanks to our consistent supporters of our Foundation, which remembers and honors Mark, who died tragically on September 11, 2001. Mark's life was taken too soon, but he accomplished so much and impacted the lives of so many, both personally and professionally. His strong values of hard work, compassion toward others and integrity are just a few qualities for which he is remembered. Our family was blessed with someone of unyielding character, devotion, brotherly love and strong family values.

Mark dedicated much of his life to the development of young men and women and encouraged each of them to follow their dreams. We are determined to continue his legacy. Through the Mark Bavis Leadership Foundation, we pay tribute to Mark not only by celebrating his life, but by continuing one of the values so important to him, to make a difference in someone's life. Every donation, big or small, has allowed us to provide scholarships each year. We are making a difference. We are proud to announce that to date, we have awarded 175 scholarships.

The Mark Bavis Leadership Foundation was created in memory of Mark, but is also a reminder to us about the events of 9/11 and to never forget ALL those lost. The work of the Foundation and our annual events are just a few ways we can make certain that Mark is remembered by those who knew him and appreciated by those who never got the chance to do so.

We lost a big part of our family on 9/11, and the expectation of what life was going to be like for Mark and his involvement with our individual families. We will not, however, let that day shift our focus from the Foundation. On behalf of our entire family, we thank you again for your generosity which has made and will continue to make a profound affect on others. Together, let's continue to strive towards making a difference in someone's life.

With our very best wishes,
The Bavis Family
