

Dear Friends,

Thank you for supporting our family and the Mark Bavis Leadership Foundation. Over the years we have provided over one hundred seventy students an opportunity to come closer to reaching their goal to go to college and pursue their dreams of success. We are confident Mark would be proud of the work we are doing knowing together we can make a difference in people lives.

A heartfelt thanks to our consistent supporters of our Foundation, which remembers and honors Mark, who died tragically on September 11, 2001. Mark's life was taken too soon, but he accomplished so much and impacted the lives of so many, both personally and professionally. His strong values of hard work, compassion toward others and integrity are just a few qualities for which he is remembered. Our family was blessed with someone of unyielding character, devotion, brotherly love and strong family values.
